Call for Collaboration

We are pleased to announce that Sukkur IBA University is organizing 4th IEEE International Conference on Computing, Mathematics and Engineering Technologies on February 27-28, 2023 at Sukkur IBA University, Sukkur – Pakistan. The primary objective of the conference is to provide a platform to scholars, researchers, and policy makers to present their imperial work and highlight issues and opportunities emerging on computing, mathematics and engineering advancements.

We invite the corporate, social sector, autonomous, government, and non-government organization of national and international esteem to join the organizing team of the event. This would be a wonderful opportunity for your organization to have some visibility in front of audience who could benefit and value from your participation at this conference. We invite you to be a part of this event. Below is the sample agreement to assist you in finding the level of collaboration maybe expected.

JOINT CONFERENCE AGREEMENT

Between
Sukkur IBA University, Pakistan
And

*This is an agreement between Partner A, hereinafter called Sukkur IBA University (SIBAU) and Partner B, hereinafter called ***** and Partner C hereinafter called *****.*

I. Purpose and Scope

The purpose of this MOU is to clearly identify the roles, responsibilities and expenses as they relate to the planning, organizing and hosting a Joint Conference between parties.

Every year the partner universities will hold a Joint IEEE Conference in alternate pattern at the host university location on mutual agreed date by the partner universities.

II. Responsibilities under this MOU

Planning of future Joint Conferences between partners, it is the desire of all partner universities to follow the following guidelines:

- Each partner university will host the yearly joint conference in turns.*
- The site selection of the location for the joint conference shall be responsibility of the host university hosting the conference that year*
- The joint conference will be organized under same name each year*
- The Head of host University will be the Patron of the conference*
- The General Chair of the Conference will be from the host University*
- Have Co-chair, one from each Partner University*
- Have equal number of members make up the Management committee*
- Agree to the members of the Technical Program Committee*
- Agree to the number and topics of joint sessions and break-out sessions and share equal responsibilities in finding speakers for each topic*
- Each Party shall be responsible to develop their own topics and find their own speakers for each of their own breakout session*

III. Expenses

It is the intent of all Partners to grow the size of the Joint Conference and to make it a successful Joint Conference for all that attends.

- The expense of joint conference will be jointly shared by Partner Universities as they agree.*
- The host university will be responsible for finding sponsors of the conference. All partner universities will extend their support to it.*
- The author and participants' registration fee will decided & collected by the host university.*

IV. Effective Date and Termination of Agreement

This agreement shall be effective on and after the date of its signing by the authorized representatives of the two sides and remain in force for a period of 3 years. Thereafter the Joint Conference Agreement shall be automatically renewed from year to year. Either party may terminate this agreement at any time by serving a written notice to the other party. Such termination will take effect six months from the date of that written notice.
